

Young Scientists Meeting at EUROTOX 2020

Purpose: Bring together young scientists and facilitate the formation of a national/ international network within toxicology.

Date: Monday, 7 September 2020, 18h30–20h30

Meeting point: Tivoli Congress Center (EUROTOX congress venue)

Who can attend: Young scientists within the first 7 years of career after last ended education (Master or PhD)
The number of tickets is limited to 200. The distribution is based on first come - first served.

How to register: You can register during the online registration for the congress or by sending an e-mail to registration@eurotox-congress.com

Price: Attendance at the Young Scientists Meeting is free of charge.

Programme:

Talk: European Registered Toxicologist – what is it and how to get the title? (*EUROTOX ERT Registration Sub-Committee Chair, Professor Corrado L. Galli*)

Speed networking: 1 minute talk with 10 different scientists about the scientific field and experiences

Sandwich and drink: Copenhagen atmosphere eating on the harbour with only EURO-TOX participants and great possibility to mingle (on IDA premises)

Sponsor: 
The Danish **Society** of Engineers
